DOBINS' ELECTRIC SOAP.

The Best Family Soap in the World.

It is truly pure. Uniform in quality.

The original formula for which we paid \$50,000 twenty years ago has never been modified or changed in the slightest.

This Soap is identical in quality to day with that made twenty years ago.

It contains nothing that can injure the fabric. It brightens colors and bleaches whites.

It washes down like blankets as no other soap in the world does without shrinking—leaving them soft and white and like new.

READ THIS TWICE.

There is a great saving of time, labor, of soap, of fuel, and of the fabric, where Dobins' Electric Soap is used according to directions.

One trial will demonstrate its great merit. It will pay you to make that trial.

Like all best things, it is extensively imitated and counterfeited.

BEWARE OF IMITATIONS.

Insist upon Dobins' Electric Soap. Don't take Magnetic, Electro-Mag, Philadiphia Electric, or any other fraud, simply because it is cheap. They will ruin clothes, and are dear at any price. Ask for

DOBINS' ELECTRIC

and take me other. Nearly every grocer from Main to Mexico keeps it in stock. If you hasn't it, he will order from us his nearest wholesale grocer.

Read carefully the inside wrapper around each bar, and be careful to follow directions on each outlet to wrap it. You cannot afford to wait long before trying it yourself this old, reliable, and truly wonderful Dobins' Electric Soap.

All kinds of Official Blanks at the News office.
